

THE PROTECTION YOU NEED WHEN IT MATTERS MOST.

CRITICAL ILLNESS BENEFITS

Critical Illness¹ insurance, which we call Critical Illness Benefits, provide a cash benefit for a covered illness.

How Could These Benefits Help Me?

No one likes being sick, and a serious illness can have a major financial impact on your life. Health insurance can help with some medical expenses, but **Critical Illness Benefits** can help with your other bills.

These benefits help relieve financial strain with cash benefits for covered illnesses, like cancer, a heart attack, or stroke. You can use the money however you need. Examples could include:

Food

Housing

Utilities

Medical expenses

You may not be able to predict a serious illness, but you can help protect yourself financially. Critical Illness Benefits help you focus on recovery, instead of the expenses that come with it. Getting covered can give you peace of mind today and provide major relief later.
