Grow Smart. Grow Strong. GROW FIT.®

Healthy habits for a healthy future!

We're proud to work with the **Partnership for a Healthier America** on our exclusive wellness program. In every classroom, in each of our schools, we're dedicated to the safety and health of every child in our care, from the smallest infants up to the most active school-age students.

All our schools offer:

Healthy meals and snacks

Vegetarian food options always

Health concepts integrated into classroom learning

Plenty of outdoor playtime and physical fitness

We can't wait to learn—and grow—with your child!
