Blue High Performance Network® (BlueHPN®) ZIP Code File

This file contains information contains ZIP Codes that define each BlueHPN market and includes three (3) tabs of information:

1. "Intro" – provides information pertaining to file content, instructions for use, file refresh schedule, and glossary of terms
2. "Zip Code File_<Month & Date>" – comprehensive list of **ALL** BlueHPN ZIP Codes. See "Tips" below to identify active and inactive ZIP Codes
3. "Change Log" – record of file changes

Note: Host Plans are responsible for ensuring the accuracy of their reported BlueHPN ZIP Codes and should notify BCBSA of any changes. Please contact the BlueHPN Mailbox at BlueHPN@bcbsa.com if you have any questions.
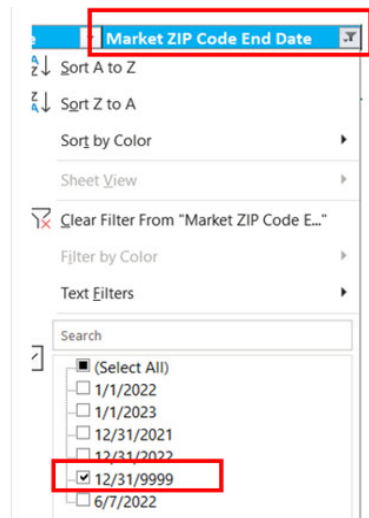

BlueHPN ZIP Code File Refresh Schedule:

The BlueHPN ZIP Code File is updated quarterly: mid-Jan., mid-April, mid-July, and mid.-Oct.

Updates to this file may include but not limited to:

1) Adding ZIP Codes to new and/or expanded geographies
2) Deactivating (or expiring) of ZIP Codes as defined by the United States Postal Service (USPS)
3) Modifying the existing BlueHPN market name or other identifiers (e.g., city to accurately reflect location, etc.)

Tips for using this spreadsheet:

1) Download the most current ZIP Code file posted on the "Markets" tab on BlueHPN BlueWeb page
2) To identify changes that occurred from a previous version, review the **Change Log** tab
3) To identify **active** BlueHPN ZIP Codes, filter the **Market ZIP Code End Date** column to "12/31/9999"

4) To identify **inactive** BlueHPN ZIP Codes, filter the **Market ZIP Code End Date** column to include ALL dates EXCEPT for "12/31/9999". Note, inactive ZIP Codes are formatted in red text in file.
